

September 2026

## Active Registered Participant List

The following is a list of companies that have registered as MARR participants as of the date listed above. Because supply chains and business relationships vary, it should not be assumed that a registered MARR participant is reporting to MARR on your company's products.

We recommend that you confirm in writing with each of your suppliers or customers regarding the responsibility for reporting sales and paying Administrative Program Fees (APFs) to MARR.

| ID   | Participant Name                                                |
